RECORD OF NOISE EXPOSURES

ESTABLISHMENT NO.

INSTRUCTIONS: Hearing protection must be worn when the individual is exposed to noise above 85 decibels (DBA). This form will be posted in the government office of the headquarters establishment to show the need for hearing protection on each assignment. A new reading must be taken annually and each time the noise level changes for any reason, such as equipment for layout changes. Copies of revised form are to be sent to the district offices.
