Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	Need to fix bulbs in lighting in outside kennel area, They have repainted good job & fixed chain link on the cage doors.	
	Adoption area, they let dogs loose in outside runs and these runs need either chain link overtop of the runs or around top edge of building to prevent escapees This would be considered one enclosure.	
	Adoption area has new floor and did painting. Adoption area in cat room need to check ventilation a little stuffy.	
	They have done a good job on painting & resealing.	
	Time line for chain link over top of the runs 60 days, (make an attempt.) if you have the dogs supervised while in these runs it will work, They have No perimeter fence around this building, when dogs go over fence they are loose.	
	Thanks for the improvements, records are in order.
