Narrative Explanation

At the time of inspection cleaning was in progress. Ventilation is well achieved and food is appropriately stored. Noted 2 small areas of chipping/peeling paint in the walkway of the indoor enclosure area and just a few places noted on the walls of the indoor enclosures. Contractor has been contacted that sealed the floors and facility is awaiting a response from the contractor. Some houses are beginning to show slight damaged due to chewing/ scratching. Suggest filling/trimming damaged areas. Records are in order. No sign of illness/injury in the general population. No other inadequacies were noted at the time of inspection. Keep up the good work.
