Brunswick Catch
Fresh from local fishermen to you!
BrunswickCatch.com

Fresh from local fishermen to you.

Brunswick Catch is built on a seafood heritage that dates back generations. Many of our commercial fishing businesses and the local markets and restaurants that sell their catch are family businesses.

brunswickcatch.com

OUTER BANKS CATCH

Local fishermen approved.

Outer Banks Catch invites you to experience the variety of seafood caught by Outer Banks commercial fishermen. Our local fishing fleet brings in the best from the ocean, the sounds, and the rivers of Northeastern NC.

outerbankscatch.com

CarteretCatch

Select N.C. seafood from the fishermen of Carteret County.

Carteret Catch is proud to promote the high quality seafood landed by Carteret County commercial fishermen. We work hard to protect our fishing heritage, marine resources, and the future of our seafood businesses and communities.

carteretcatch.org

Ocracoke FRESH
Caught Today The Traditional Way

Caught today the traditional way.

Ocracoke Fresh reminds you to buy local, fresh seafood. If you don't know your commercial fisherman, make sure to ask your seafood market or restaurant who caught your fish.

ocracokeseafood.com

Look for this label on seafood packaging at local markets!!

NC CATCH
REAL LOCAL SEAFOOD
got to be NC SEAFOOD
WWW.NC CATCH.ORG

NC Catch works in partnership with the seafood industry, local Catch groups, the NC Department of Agriculture and other businesses and organizations to strengthen North Carolina's local seafood economy through promotion and education about delicious, healthy seafood from our state's coastal waters.

Together we ...

- **Support** a robust seafood economy that sustains fishing communities and brings North Carolina seafood to consumers statewide and beyond.
- **Promote** commercial fishing as a sustainable profession deeply rooted in North Carolina's coastal heritage.
- **Build** on the seafood industry's economic opportunities to encourage job growth, financial investment and strong partnerships for the future.
