Narrative Explanation

At the time of inspection cleaning is in progress. Floors remain in sealed condition. Records are in order for all animals requested. Ventilation is well achieved with no odor detected. Walls remain in good condition with only a few touch up areas needed. Plans are in place to complete this by the end of the week. Thermometers are in place and the temperature is ambient. All animals appeared healthy.

Plans are in place to budget the tough drain project for the outdoor enclosure for the 2017 budget year.

No other inadequacies were noted at the time of inspection. Keep up the good work.
