Narrative Explanation, if needed

Annual inspection today with Don Reikard in attendance.

Items of concern are as follows:

1. 0204> They remain in progress with the repainting/resealing of the floors in the canine primary enclosures.

2. 0207> The outside play yards have been improved with alterations of concrete being poured in the high traffic areas. Pavers will be installed (weather permitting) to hold the portable plastic swimming pools that are greatly utilized in the summer months. There are 2 areas in which concrete remains to be added.

Narrative Explanation, continued

A new camera system has been placed throughout the building and outside grounds.

All the animals on the premises appear happy and healthy.

Paperwork is unchanged and in compliance.

The facility is very well maintained and looked after. It is evident that much care and planning go into all the work that is done here.

Work will continue to be in progress and I will follow up on a as needed basis.
