## Narrative Explanation, continued

I performed a "follow up" inspection at this facility today.

I noted the following deficiencies have been corrected:

1. .0204 Primary Enclosures / Drainage - I noted in the outdoor gravel exercise runs the run next to the last on the east end has had more gravel added, has been leveled and is clean of all weeds.

2. .0204 Primary Enclosures / Prevent Contact with Wood - I noted the wood training aide has been removed from the premises.

3. .0204 Primary Enclosures / Sound Repair - I noted both gates in the outdoor play area that had loose chain link have now been made secure.

Comments:

I noted the facility was clean and odor free in all areas.
