Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	Follow-up from 1-29-08	
	Comments from 1-29-08:	
	All Resting Platforms are in place & in good repair.	
	A new form (hard copy) has been created and the origin/disposition records are more complete.	
	Temperture in the Kennel is 60° at 10:30 Am.	
	New Construction is progressing. There is no hot water today due to the construction but Kennel has been cleaned and no signs of illness noted. Went over the new building w/ Ted Carter and Contractor Dewy Shaw and expressed concern over the flooring that will be installed. Advised that it appears cleaning will be time consuming and if found unclean a disapproved inspection will follow. Discussed other floor options. Completion is estimated at July or August '08.	
	Inadequacies still to address:	
	4) Painting - County will not address this until new facility is complete.	
	21) Personnel - More personnel are needed to maintain records and shelter.	
	Re-Inspect in 60 days
