Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	They have added cat condos in seperate area and have ventilated it. It smells great in here. The main kennel area smells great and she was in process of cleaning. The kennel run walls are begining to chip so we need to look at repaint and resealing those areas that are chipping. They have designated an area for isolation if needed.	
	Change enclosure count to 26	
	good job.
