Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	This is a New Licensing Inspection Today -	
	Comments: This is a remodeled facility - Looks very good -	
	Cautioned about strenght of chain link wire - using 11 gauge - reccommended heavier gauge smaller diameter wire.	
	Need a thermometer in Kennel room and Isolation sign on Isolation room door.	
	If the 6 outdoor runs are used to house dogs, a perimeter fence of at least 5 feet in height must be installed.	
	All Items have been reviewed. It is understood by me that 4 of the outside runs still need to have the doors installed - should be done in next 1-2 weeks.
