Comments:

Temperatures are in compliance in all areas of the facility at 3:30pm.

There were no signs of illness noted, Kennels were clean and odor free.

Records have been examined and are in compliance.

The back exercise yard now has good grass growing. The owner is planning to work on updating an area of fence that is in an area that floods.

The owner has added more gravel in the front exercise yards.

Discussed the areas outside that had posts cut off and there left an open space which needs to be sealed with concrete.
