Inspection Category	Result		Inspection Category	Result
0303 Food & water during transport	Not Applicable		0304 Observation of animals	Acceptable

Narrative Explanation, if needed

Facility was clean, organized, and little odor. High number of cats at this inspection, most of which was due to kitten population. Adoptions were going ok, just slow with adult cats. No problems with facility,very organized with paperwork,shots, and overall inventory of cats in facility. Get numbers down, and keep up the good work on the facility.
