Narrative Explanation, if needed

when I arrived to performed an annual inspection today the open sign was on and the front door was open, I had reasonable expectation this facility was open. I entered and called out for the owner when no one answered I walk into the room that houses the dogs. Upon entering this facility the smell of urine and feces was over-bearing my eyes burned and I began to cough. I saw approximately 10 dogs and a goat in kennels. Kennels have multiple piles of feces the appear to be older than 24 hours I also saw a small cat room with approximately 6 cat cages the litter boxes appear to not have been cleaned in recently.
