Narrative Explanation, continued

established again.

Comments: Owner has a very good carpet of grass this year due to more rain than usual. Remember to isolate any areas that become bare dirt resulting from dogs digging - bare dirt is not acceptable in the outdoor exercise yards. Remember also that dogs are to have continuous access to water unless there is a medical restriction. Discussed maintaining the medical log along with the other records for a period of 1 year after the animal is released from the kennel.

Follow-up inspection in 30 calendar days - 8/30/13.
