# Narrative Explanation, continued

Annual inspection performed today.

Comments:

Since the last inspection the owners have painted the outside of the facility and installed vinyl siding, more gravel has been installed in one of the play yards and the concrete walk way has been stained. Evidence is seen and noted the owners are being proactive in keeping the facility and yards in good repair.

Records are in compliance.

It was noted it was time for the grass yards to be mowed. The owner advised their mower was being repaired and a lawn service is mowing until their mower was repaired.

Remember to keep any bare dirt areas isolated until good grass is established and that concrete pavers are useful around the gate and fence areas where the dogs seem to wear the grass down the most.

Continue to make repairs when needed.
