Comments:

Cleaning was on going at time of inspection.

Several electrical outlets were unplugged but were plugged during inspection.

From 7-30-08 inspection, manager stated no cats had been adopted from any animal control facilities. Still stress the need to record the inpound/intake number that is assigned to any animal control cat that is adopted by CAT Tails.

Discussed again the cat trees made of wood and carpet. Advised to use them only within closed groups of cats. Advised creating cat trees of pvc or other material that is easily disinfected and sanitized. This item is strongly reccommended and would expect to see this addressed before next inspection.
