Narrative Explanation, if needed

At time of inspection (9:44am) records are in order, facility is kept at ambient temperature, no sign of illness/ injury in the general population, and food is properly stored. Facility recently suffered damage from a fallen tree which has wiped out the two outdoor exercise runs and the main office. Repairs are underway. Perimeter fencing is currently damaged also from the tree however materials are on hand for repairs. Feces was noted in several outdoor enclosures. Remove waste twice daily (0207). No other inadequacies were noted. Keep up the good work.
