Narrative Explanation, if needed

New enclosures have been completed in area behind lobby, eliminating cross-cont. in this area. Six new enclosures have been added in the main dog room with 15 to 20 remaining to be constructed. Work on these is in the process. More organization of food, bedding, cleaning supplies, etc. and really looks good. All records were in order. 203- more gravel needs to be added in outside yards(drainage & sanitation). 204- Floors in most areas need to be stripped & resealed. 204- Still lots of free standing enclosures that need to be removed and will be with the completion of the new enclosures. follow-up before the end of May.
