Narrative Explanation, if needed

Annual inspection performed. Facility is clean and well maintained. At the time of my inspection ratio was in compliance with 6 dogs in play area with one staff member. Always maintain a 1:10 ratio. Outside play yard has ample supply of gravel and is well kept. (0204) In front suites material impervious to moisture needs to be added to side strip of sliding wall and window trim needs to be covered where chewing/scratching has occurred. Floors are in the process of being repainted a section at a time. Records are intact. No other inadequacies noted.
