Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	New facility opened 9/7/2010 - very nice facility with over 60 enclosures for public to view animals. Each enclosure has glass fronts for easy viewing, each enclosure has its own drain for easy cleaning & odor control. Featured cat and dog rooms in main lobby for the general public as well as screened in rooms for cats to be in fresh air. Several outside exercise yards for Dogs with Astro-Turf as a base. Well organized, well maintained. Very nice, but also a very functional facility.	
#7	Astro-Turf could be a potential problem in the future.
