Narrative Explanation

At the time of inspection facility is clean and organized. Food is appropriately stored.

Improvements from previous inspection include;

1) Isolation enclosure has been moved to an area more accessible to employees and is properly labeled.

2) Origination/Vaccination/Medication records are improved and now stored in the kennel area to be more accessible to employees

3) Management is working with the corporate office to update the PVC for this facility to reflect animals being isolated when sick/injured which will also include these animals being taken to a veterinarian if the providing facility cannot pick up the animals in a timely manner.

4) According to management staff has been educated on the isolation process

No inadequacies noted at today's inspection. Temperature is ambient. Ventilation is well achieved. Records are in order. Keep up the good work.
