Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	All Items from previous inspection such as covering of walls in Lux Suites, covering wood around AC unit, and removing rusted Threashhold between hall + play area inside. (good job)	
	-Facility was very clean, records were all in order	
	#6, #7 - outside exercise yard - bare dirt areas at big gate and along building need to be either re-seeded and dogs kept off until grass comes back or gravel these areas. Dirt is packed down causing water to stand gravel at gate would aid in drainage.
