Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
#14	Waste pans under each enclosure needs to be checked and cleaned more often during store hours (2 times daily is required) but with age of puppies that are in store now are mostly small breeds 2 to 3 months of age. I suggest spot cleaning 4 to 5 times daily and 2 heavy cleaning.	
#19	All animals must have constant water supply!	
*	Description, Shot records, Treatment and origin paperwork was in very good order.
