Narrative Explanation, continued

Comments:

Owner was not on site today. She called in to say the reason the repairs were not completed was due to her husband's busy work schedule. She stated the repairs would be addressed when they return from a brief absence from the business.

Temperatures were in range in all areas of the indoor kennels.

Records were adequate.

Kennels were clean.

Advise owner to start looking at repainting the metal doors (Buddy Wing, Cindy Wing, door to hallway). These doors are not an unacceptable item at this time but can see that on the bottom areas of these doors there is some rust starting. If it is addressed early, it will preserve the life of the doors.

Remember when doing exercise yard maintenance, to remove the grass that comes in the expansion cracks of the concrete. All the exercise yards have a good carpet of grass.

Follow up inspection in 30 calendar days 7/10/13.
