**NOTICE OF WARNING**

We have an investigative case report showing that you violated the North Carolina Poultry Products Inspection Law and the North Carolina Compulsory Meat Inspection Law. The reported violations were discussed with you on January 13, 2011. Specifically, our investigation revealed that you had processed, stored, offered for sale and/or sold eight (8) bags of frozen chicken legs, six (6) packages of frozen hamburger patties, ten (10) packages of frozen chicken tenders and one (1) container of cooked pork skins, which did not contain State (NCDA) or Federal (USDA) marks of inspection or required labeling, to the general public. You admitted in a signed statement dated January 13, 2011 that you packaged the afore mentioned meat and poultry products into quart and gallon size zip lock style plastic bags without the benefit of county, state or federal inspection for the sole purpose of resale to the general public.

Please be advised that the sale of misbranded and/or uninspected poultry products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.56 with civil and/or criminal penalties and that the sale of misbranded and/or uninspected meat products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to these violations. If you should continue to sell misbranded and/or uninspected poultry and/or meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

Donald H. Delozier  
State Director
