**NOTICE OF WARNING**

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law. The reported violations were discussed with you on January 21, 2011. Specifically, our investigation revealed that you had stored, offered for sale and/or sold 74 packages of beef skins, beef stomachs and/or goat meat, which did not contain State (NCDA) or Federal (USDA) marks of inspection or required labeling, to the general public. In a signed statement dated January 21, 2011 you stated that you packaged the meat products into consumer size packages without the benefit of county, state or federal inspection for approximately one year.

Please be advised that the sale of misbranded and/or uninspected meat products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or uninspected meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

  
Donald H. Delozier  
State Director
