Comments:

Temperatures within range in all areas of Kennel today.
Records are in order.
Daycare dogs ratio is correct today.

Items that are begining to need attention:

Grass is growing through gravel in outdoor exercise yards in some areas - need to keep these areas grass free.

Inside day care room - 4 of the doors are begining to need wire attention.

Door way into cat room and Kennel area - areas have animal damage that owner needs to look at.

Owner needs to look at painting the black painted Kennels that are showing some peeling and rust.

On the 1-28-08 inspection, owner stated she was going to look at some different options for Kennel dividing material - these have not been replaced and owner should strongly consider changing these dividers as they get damaged.
