Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	Follow up from 9-22-08	
	Items that have been addressed since 9-22-08:	
	1- All damaged resting boards have been replaced with PVC boards.	
	2- All cats now have up to date Rabies Vaccinations.	
	Comments:	
	Facility is clean and odor free. No visible signs of illness noted today. Owner had sown winter grass in small exercise yard. There is evidence that she had a good stand of grass growing but due to recent rain and some standing water the grass has become damaged. Strongly suggest to owner not to allow dogs to have access to this yard. If good grass cannot be grown and maintained, 6 inches of gravel must be used or may pour concrete - cannot have bare dirt. Owner understands this area must be addressed before next inspection.
