Currituck County Animal Contro	Sheriff's Office	Maple	NC

Narrative Explanation

Annual inspection done today. Sgt. Gina Maurer in attendance. This facility is next door to the county animal shelter. Due to this closeness in proximity, all animals that are picked up by animal control go directly to the shelter with a few exceptions. These would be quarantine and cruelty cases. With that established, all aspects, as they pertain to this facility, are in compliance. This is to include any paperwork that is generated. The building although seldom utilized for animals is well maintained. There are no animals in custody at this time. This inspection is approved.
