Narrative Explanation, if needed

Annual inspection done today. Items in need of correction as follows.

Justin White is in the process today of laying concrete pavers in the back play yard area. The 2 beams that required paint/seal have been done. Also completed is the sealing of the floors. Cross contamination barriers are present and will be installed shortly. The guillotine doors remain rusted. Plans for their repair are being addressed. The facility and grounds are very well maintained and all canines on the premises appear happy and healthy. Projects are all underway and completion of all is in the near future.
