**NOTICE OF WARNING**

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law and the North Carolina Poultry Products Law. This reported violation was discussed with you on February 25, 2014. Specifically, our investigation revealed that you had processed, stored, transported, offered for sale, and sold meat products (meat pies) and poultry products (chicken pies), which did not contain a State (N.C.D.A.) or Federal (U.S.D.A.) marks of inspection or required labeling. In a signed statement dated February 25, 2014 you stated you purchased the raw meat, poultry and other ingredients from the local Sam's Club and in turn cooked, formulated and packaged the meat and poultry pies into small clear plastic retail size containers at your non-inspected home kitchen. On the same day you cooked, formulated and packaged the meat and poultry pies, which did not contain a State (N.C.D.A.) or Federal (U.S.D.A.) marks of inspection or required labeling, you transported and sold them to Leone International Foods, 810 Fayetteville Street, Suite 108, Durham, N. C. for the sole purpose of resale to the general public.

Please be advised that the sale of misbranded and/or non-inspected meat and poultry products is a violation of the North Carolina General Statutes (N.C.G.S.) §106-549.23 and §106-549.56 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or non-inspected meat and poultry products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

W. Alan Wade  
State Director
