Narrative Explanation

This annual inspection today was done with Sgt. Gina Maurer in attendance.

I find this facility, as always, to be very well maintained and within compliance with the AWA.
Animals are kept on the premises for quarantine and cruelty/seizure situations only. Stray and surrender animals are taken directly to the public animal shelter next door.

Paperwork is within compliance.

The one canine impounded here for bite quarantine appears happy and healthy. All quarantine protocols are being observed to include records.

I have no new concerns at this time.

A new building, to accommodate both animal control and the animal shelter is at this time being constructed. Sgt. Maurer will keep me informed as to how this is going.

I will return on a as needed basis.
