Narrative Explanation, if needed

Follow up done today. Items in need of correction from previous inspection are as follows. Owners grandson Justin White is in attendance. He is the one in charge of all the maintenance work and repairs. Today, in progress, are the implementation of the outside cross contamination barriers to go between the pens. These pens are adjacent to the indoor pens by a guillotine door. These guillotine doors on the inside are rusted. Also showing rust are the 2 beams that run parallel to each other under the kennel tops. Product for this has been purchased and work will begin shortly. The floor has been properly sealed. The paint for the inside kennels has been discussed and choice of product has been decided. The play yard area out back has established grass in certain areas. Justin would like to continue with full grass and no pavers at this time. Since the grass has been filling in nicely I am satisfied with his efforts to do so. The fake fire hydrant has been removed. Compliance is being met in all areas as issues are
