0303 Food & water during transport	Not Applicable		0304 Observation of animals	Not Applicable

Narrative Explanation, if needed

(0204) Cement blocks need to be repainted/resealed at the bottom of kennels. Paint is chipping. I suggested trying Dri-Lock that seals block and masonry work and to reseal the floors with a clear sealant. I suggested removing the old caulk before repainting to allow the new finish to last longer.

Nice odor free facility. Good job.
