NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Poultry Products Inspection Law and the North Carolina Compulsory Meat Inspection Law. The reported violations were discussed with you on March 19, 2012. Specifically, our investigation revealed that you had transported, stored, offered for sale and/or sold packages of beef tripe, chicken drumsticks, cut up chickens and smoked turkey, which did not contain State (NCDA) or Federal (USDA) marks of inspection, to the general public. In a signed statement dated March 19, 2012 you admitted purchasing the above mentioned meat and/or poultry products from a retail store in Durham and transporting them back to Interbond Industry where they were offered for sale and sold to the general public.

Please be advised that the sale of misbranded and/or non-inspected poultry products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.56 with civil and/or criminal penalties and that the sale of misbranded and/or non-inspected meat products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to these violations. If you should continue to sell misbranded and/or non-inspected poultry and/or meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

Donald H. Delozier
State Director
