Narrative Explanation, if needed

Annual inspection performed. Only 1 dog boarding at time of inspection. Since last inspection one side of the inside kennels has been repainted. As of now this is the only side being used for boarding. The following items need to be addressed:

1. (0204) Continue to repaint/recaulk kennels inside and outside as needed;
2. (0207) All kennel gates need to be thoroughly cleaned as hair and debris have built up on them;
3. (0207) Ensure that weeds are kept to a minimum to prevent rodents
