NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law. This reported violation was discussed with you on February 16, 2014. Specifically, our investigation revealed that you had processed, stored, transported, offered for sale and/or sold Pork Spring Rolls, which did not contain a State (N.C.D.A.) or Federal (U.S.D.A.) marks of inspection or required labeling, to the general public. In a signed statement dated February 16, 2014 you stated you purchased raw pork meat and other ingredients from Grand Asian Market in Raleigh, North Carolina and in turn cooked, formulated and packaged the Pork Spring Rolls into small clear plastic retail size containers at your non-inspected home kitchen/residence. On Sunday morning of February 16, 2014, you transported approximately fifteen (15) containers of Pork Spring Rolls, which did not contain a State (N.C.D.A.) or Federal (U.S.D.A.) marks of inspection or required labeling, to Princess Nail Supply, 1300-A Buck Jones Road, Raleigh, North Carolina where the meat products were offered for sale and sold to the general public.

Please be advised that the sale of misbranded and/or non-inspected meat products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or non-inspected meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

W. Alan Wade
