NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Poultry Products Inspection Laws. This reported violation was discussed with you on November 13, 2014. Specifically, our investigation revealed that you had processed, stored, offered for sale and/or sold Whole Chickens, which did not contain State (N.C.D.A.) or Federal (U.S.D.A.) marks of inspection or required labeling, to the general public. In a signed statement dated November 13, 2014, you stated you purchased a large box of Whole Chickens from A&C Supermarket in Raleigh, North Carolina and in-turn packaged the Whole Chickens into smaller retail size packages inside Hongsamon's Asian Market without the benefit of County, State or Federal inspection.

Please be advised that the sale of misbranded and/or non-inspected Poultry Products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.56 with civil and/or criminal penalties. Please be advised that you will not receive any further Warning with regard to this violation. If you should continue to sell misbranded and/or non-inspected Poultry Products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

W. Alan Wade
