TELEPHONE: (336) 659-1995

Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	They are allowing cats to run loose in cat room. Need shower board on wet sheet rock, if you are going to let them run loose. Scratching post need to be removed and re-covered, top exposed wood, and base chipping. Floor needs to be resealed chipping up. Sheetrock has chips where cats have been scratching on it. Vaccating records and origination needs to be given to Petsmart on all cats here and that have been adopted from here on out. Volunteers cleaning while here. Make sure rugs are cleaned daily. 30 days to make a start on these improvements. I will be back Aug 1, 2008 to see.	
	I will Approve you if all things are in the works to be done there
