Narrative Explanation

Follow up inspection done today. ACO Emily Jackson in attendance.

Items in need of correction from previous inspection are as follows:

The Cat Room. 0202,0204> This room continues to be a work in progress. The cages have all been numbered. The exhaust fan has been cleaned. The wooden table has been removed.

New items of concern:

1.The floor remains in need of resealing.

2.The cat cages will need to be cleaned thoroughly, repainted/resealed. Strongly suggest that newspaper be used to line the bottom of the cages.

3.The window in here requires cleaning.

4. Clean ac unit.

5. Ceiling has mold noted. Suggest replacement of the shower board and wooden strips with metal strips.

6. Proper cleaning of all 4 walls and the back wall that is particle board is requiring installation of shower board due to water damage and the inability to clean/sanitize.

Dog Kennels. 0202,0204. This work is continuing. There is a completed section. Minus the floor. This has been scraped throughout and product to apply is being researched and discussed.

New Items of Concern:

1. Ceiling is showing mold. Suggest new shower board with metal type strips be installed.

Narrative Explanation

Utility/Laundry Room. 0202,0207> The floor in here has been sealed. Pest control to the closet area in here is being professionally done. This room is to be completely cleaned out and reorganized.

New Items of Concern:

1. Window in need of general housekeeping.

2. Cages back here need to be repainted/resealed.

Outside Kennels and Yard. 0203> These 4 kennels here need the chicken wire in the bottom removed to prevent injuries. These pens are being utilized I am glad to say.

New Items of Concern:

1. The yard is need of mowing. This will need to be done on a regular basis.

2. Replenishment of all gravel is needed.

3. Suggest a good cleaning of the gravel in the pens.

I can see a great effort is being made here in the shelter to bring it into compliance. All animals appear happy, healthy and injury free. I will return in or around 30 days to check on progress.

☐ check here if a euthanasia inspection form is attached
