Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	We came out today on the complaint that came into the office complaint # AW238. Dave did find the dog in the pond he removed the dog to the edge and tried to bring it back. Dave said he performed chest compressions and no fluid came out. The dog was 14 years old and possibe had a heart attack according to Dave Centara. That day Sept 15, 2007 he had one employee Patrick who came in at 9:30 am - 12:30pm Then Dustin Griffin came in at 1:00 pm - 6:00pm By found the dog between 5:00pm - 6:00 pm and called owner. I had them make me a copy of outgoing signatures for the dogs that left that day and we got all shot and Boarding contract info for that dog. I talked to Patrick and he had left before that dog was found. Dustin was here at the time dog was found but I was not able to talk to Dustin, Dave, and his wife was also here at the time. By. Dave said he express regret and he accepts full responsibility for dog dying By had 15 dogs that day And had 3 people on staff	
	When I arrived today I found 15 dogs outside in play yard with one employee Supervising there we need to make sure we have one person for every 10 dogs supervising at all times. Dave had 6 dogs of his own on top the dogs some put them back in his private play yard. We do have a bare dirt issue here but he has 12 play yards so we need to keep them off of bare dirt you can create a temp fence to keep them off till you get sod, gravel or concrete. Things looked great clean and smell good. Food in sealed contains, records are in order.
