Narrative Explanation, if needed

Cats housed at this facility are from Guilford County Animal Control. Cleaning is done by Petsense staff. Overall enclosures were clean. Vaccinations are current on all cats. Inadequacies from todays visit are as follows: (0201) cat food must be kept in sealed container. Litter scooper should be cleaned and sanitized before being put into storage cabinet. This will eliminate soiled litter being on shelves in storage cabinet and prevent odor. Litter boxes need adequate amount of litter to be able to absorb waste to prevent smell. (0101) need origination paperwork for each cat (how it came to Guilford Animal Shelter). Ok to issue license.
