Narrative Explanation, if needed

Annual inspection performed. Kennel areas are clean and odor free. New mason kennels still look great. Temperature was in ambient range. Rabies vaccination was missing for greyhound named Van. Requested that rabies vaccination be given and proof of vaccination be faxed or emailed within 48 hours. There are large areas of bare dirt in the outside play yards. Gravel needs to be added to a minimum of 6" where grass is not established. Overall great job here!
