NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law. This reported violation was discussed with you on November 2, 2015. Specifically, our investigation revealed that you had stored, transported, offered for sale and/or sold fried pork skins and pork lard which did not contain State (NCDA) or Federal (USDA) marks of inspection or required labeling to the general public. In a signed statement dated November 2, 2015 you stated you stored, transported, offered for sale and sold misbranded meat products without the benefit of state or federal inspection for the approximately one (1) month.

Please be advised that the sale of misbranded and/or non-inspected meat products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or non-inspected meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

W. Alan Wade

State Director
