Narrative Explanation, if needed

Annual inspection done today. Lead Officer Robert Richardson in attendance. Items in need of corrections as follows. 0207> Floors throughout facility in need of resealing, all cracks to be filled and caulking to circumference of kennel area. 0204> All dog kennels show excessive wearing of paint. These will need to be addressed with repainting and resealing. Staff has informed me that they are in process of implementing all the above. All animals on premises appear happy and healthy. All aspects of the AWA are in compliance. This is to include paperwork/records. I will return for a follow up on progress in or around 30 days.
