Narrative Explanation, continued

Inadequacies noted are:

0202-Impervious/sanitary surface indoor- The hall way that lead towards the boarding areas has a wall of painted sheetrock. Surface should be impervious to moisture and easily sanitized.

0204- Prevent contact with wood- There are wood structures in the outside play yard that the dogs have access to. Access to wood by animals should be prevented in primary enclosures.

Continue to redistribute gravel and add gravel as needed.
