0303 Food & water during transport	Not Applicable		0304 Observation of animals	Not Applicable

Narrative Explanation, if needed

0201- replace or repaint metal door at the center, north side leading out to outside runs. Replace framing around this door as well (damaged). Rotate CAAR dogs to other side of kennel when allowing them to have access to grass areas between kennel and play yards, area on north side is begining to show bare dirt and mud. Facility was very clean and well organized.

☐ check here if additional pages of narrative are attached

☐ check here if a euthanasia inspection form is attached
