Narrative Explanation, if needed

Annual inspection done today. Hertford County Animal Shelter is being operated by the 501c3 group known as Paws of Hertford County. Items in need of corrections as follows. 0203> Between the dog and cat adoption rooms is a large wooden deck with a connecting ramp that accesses one of the back play yards that the dogs frequent. This will have to be sealed in order for it to become into compliance. The play yard itself has several bare areas, standing water, large amounts of feces, a large deep hole and 3 trees that need to be removed or fenced off from dogs having accessibility. Several sections of gate/fencing that also need to be removed from area. There is a outside kennel that sits at the end of a long run area that if they are to utilize needs to have the cracked concrete repaired and resealed. Drainage to be addressed with 6 inches of gravel. There are also several plastic doghouses that are chewed up. These need to be removed. 0204> Peeling paint in several dog kennels. Dog room floor needs
