Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	They have done a great job on adding gravel and correcting bare dirt issues. Might need to add about an inch & half of gravel overall in the runs and rake it over some shallow spots. She painted the porch but I am still not satisfied with it she painted it with Marian type paint next time I see it chewed we will have to replace it with vynil or use the fake decking boards. The outside playtoys are made out of painted wood Not satisfied with these but will work for now but work to replace out of fake decking boards. She did put a plastic lid against shelf that I thought needed to be covered. She put Chain link up against wooden fence to keep dog off of it. Remember that a single fence you cannot leave dog unattended but a double perimeter fence you can leave them unattended. I belive she is ready for a lil because she has worked on every issue that I have asked her to do.	

Make sure you get all outgoing signatures she has some but not All.
