Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	I came by today on a complaint, while here things looks great clean & smells great. Holly wanted to write some thing down in response this complaint below. I read this complaint and I am very disturbed by this. Poodleduck & Co has steived to make a difference in the opinions and observations that the local public might have regarding the well being of animals in a pet store. We make sure we santize our kennels/and facility several times a day. In addition we allow play time with the puppies to ensure they are not kept inside the kennel to long. We also make sure everyone santizes their hands before touching our puppies. In this circumstance we cleaned at 8:00 am and we monitor the kennels in 10 minute intervals. This happened to be a time when we did not get back there before the customer and before the puppy. but we did clean after the puppy and completly santized the kennel. Poodleduck & Co ensures that all of our pets are taken care of.	
	All records seem to be in order, one Breeder here she had wasn't USDA did call Cindy Liles with USDA	
	Place smells great and I see nothing wrong here today.
